Hi, recorder players,

This is going to be a short message. The last ten days have been rough. The flu bug caught up to me, and I am just now beginning to feel better. The message: If you haven't gotten a flu shot, it is not too late to do so. People I have heard about have had this flu for as long as two or three months when they didn't get the flu shot, and the medicine, called Tamiflu, didn't help them at all. Tamiflu, however, worked wonders for me. So, a word to the wise.

I am still working on setting up a recorder workshop for October, 2014. I have tried to make contact with a workshop director who was recommended to me, but I haven't heard back yet. I will continue my efforts and keep you apprised.

See you all next Saturday, February 15<sup>th</sup>.

Harvey Winokur  
SDCRS President
