### ***PRESIDENT'S CORNER***

Hi, recorder players,

We are coming close to the Christmas season, and we have arranged for the SDCRS to perform our Recorder Christmas program at Wesley Palms in Pacific Beach. Wesley Palms is located at 2404 Loring St., San Diego, CA 92109. The time set is 1:00 PM on Sunday, December 22, 2013. The program will last about 1 hour. I hope all of you are planning to be there. This is our chance to show off our skills on and the beauty of the recorder. It has always been fun, so please plan to be there. I will have the music available at our next meeting on November 16<sup>th</sup>, and we will be practicing the music at that time and on our December 21<sup>st</sup> meeting. Even if you are not planning to participate in the performance at Wesley Palms, come and join us at the next two meetings just for the fun of playing with the others in our Recorder Society.

Harvey Winokur,  
SDCRS President

### ***NOVEMBER GUEST CONDUCTOR: HUGH WADE***

**Hugh and Dixie Wade**

Hugh Wade has been in the recorder scene since 1974 in Santa Barbara and San Diego. He studied recorder with Erich Katz and Morris Newman. Prior musical activity includes playing saxophone in grade/high school and saxophone and clarinet with a semi-professional stage band during college. He is a past member of the American Federation of Musicians and a past president of the SDCRS. Since retiring from the engineering profession, he has been active with the SDCRS in the roles of playing, conducting, teaching, and SDCRS Newsletter Editor. He enjoys both large group and small consort recorder playing and also participates in choral singing with the Clairemont Lutheran Church Sanctuary Choir and Cantate Quartet and the Masterwork Chorale of the First United Methodist Church in San Diego. His musical goals are to continue to learn and make better music and to impart some of the things he has learned about recorder playing to anyone who is interested. The picture is of Hugh and his wife, Dixie.

## ***MUSIC PROGRAM FOR NOVEMBER 16 SDCRS MEETING***

The music for this meeting will be available at the meeting. Most of it will be familiar to those players who have played in SDCRS Christmas Concerts in prior years. You will be able to take hard copy of the music with you to practice. If you are going to participate in the SDCRS Christmas Concert at Wesley Palms, it is suggested that you decide what part you are going to play and stick with it. Most of the music is 4-part SATB in score form, with one piece 6-part SSATTB in score form. We hope there will be enough players to have at least two on each part, on all pieces, but we may have to make adjustments as necessary.
