

SDCRS NEWSLETTER  
SAN DIEGO COUNTY RECORDER SOCIETY  
OCTOBER 2018

[www.sandiegocountyrecordersociety.org](http://www.sandiegocountyrecordersociety.org)

**Hello, recorder players!**

**There will not be any regular meeting of SDCRS on the third Saturday of October. Instead, members and friends are encouraged to attend the October 27 recorder workshop.**

**If you haven't yet signed up for the October 27 workshop with Tom Axworthy, now is the time to do that. A registration form with information is attached and is also at the end of this newsletter and at [www.sandiegocountyrecordersociety.org](http://www.sandiegocountyrecordersociety.org) .**

**Tom Axworthy is a Los Angeles based recorder teacher and performer who directs the Los Angeles Recorder Orchestra and provides private lessons. He has a degree in Musicology from California State University and is founder-director of the Southern California Early Wind Consort and a member of the Renaissance Players. At our all-day SDCRS workshop on October 27, he will conduct music of Salamone Rossi and Marin Marais. We're looking forward to playing, improving our skill and technique, and enjoying ocean views from the 4th floor solarium at Wesley Palms on October 27.**

**If you have questions, or if you aren't sure you will be able to attend and are thinking of walking in to join the workshop on Saturday, October 27 instead of registering in advance, please contact Harvey Winokur at [recorderplayers1@gmail.com](mailto:recorderplayers1@gmail.com) or 619.334.1993. We want to be sure that everyone who comes to the workshop has the music and that we have enough lunch available.**

**Music will be emailed to everyone who has signed up for the workshop. BE SURE TO PRINT AND BRING YOUR OWN MUSIC (or electronic reader such as an IPAD) AND A MUSIC STAND.**

## MEMBERSHIP

Please complete the 2018-2019 SDCRS membership application form with payment as soon as possible and return it to Harvey Winokur by mail or in person. The form can be printed from the SDCRS website and is also at the end of this newsletter.
