Molto Espresso! (or How to Turn a Phrase)

What makes for a musical performance? For expressive playing?

There is always something more to say... or a better way to say it! When presented with soaring melodies, clashing dissonances, or intricate rhythms, we will focus on tone, articulation, breathing, musical weight, and maybe even a little vibrato, to capture the essence of each composer's expressive vision.

Complete the workshop registration form as soon as possible and return it with payment to Harvey Winokur by mail or in person. The form can be printed from the SDCRS website and is also at the end of this newsletter, along with a workshop schedule.

SDCRS REGULAR MEETINGS

SDCRS regular meetings are usually the third Saturday of each month except for a summer recess in July and August. RECORDER TEACHER DIRECTORY

--Hugh Wade 858.270.6953 Beginning to intermediate level. San Diego, Clairemont.

--Harvey Winokur 619.334.1993 Beginning to intermediate level. East County.

To be an adequate recorder player, you should be able to play SATB (soprano, alto, tenor, bass). Not only is it fun to shift from one instrument to another, it makes you a more desirable ensemble member because you are able to shift to another when needed. So, let me know if you are interested in either class or individual lessons. Initially, we should consider bass recorder. I hope we can get a class because it uses our time more efficiently. Call me at 619-212-6687 or 619.334.1993, and let's get going.
